

MEMORY BOOK

tips for students

MAKING THE BOOK YOUR OWN:

This book will hold your favorite memories from this school year. Work on it slowly, completing only a page or two at a time. Record all of the special memories you hope to remember when you're old and gray!

Play around with different fonts and font colors. After typing your memories, resize your font to fill the entire text box.

INSTEAD OF:

There is too much white space because the font is too small.

FILL THE SPACE:

Elaborate to fill the white space.

OR

Resize your font to fill the white space.

19-20
